

Mothered Sons

Claire Tchaikowski

Mr Speaker
I know you can walk
Just not very far
Caus you stumble on the weeds

Lay them down
Oh lay them down
Come
The peaceful ones
The mothered sons

You say you don't believe
Lay down
I'll show you who believes
Lay down
I know you still believe
Lay down
I'll show you who believes

Mr Speaker
I know you have thought
Just not very fast
Caus you crumble under fear

Lay them down
Oh lay them down
Come
The useless ones
The weird ones

You say you don't believe
Lay down
I'll show you who believes
Lay down
I know you and you still believe
Lay down
I'll show you who believes

Mr Speaker
I know you are loved

I know you have fathered
Most of us want peace

Lay them down
Oh lay them down
Oh Come
The faithful ones
The mothered sons

You say you don't believe
Lay down
I'll show you who believes
Lay down
I know you and you still believe
Lay down
I'll show you who believes
