God Will Restore (Reprise)

Meachum L. Clarke & True Purpose

It doesn't matter what you been through
Nor does it matter what has happen to you
God sees your struggle and he knows your pain

God will God will restore
God will. God will restore

Weeping may endure for a night
God will... God will restore (repeat)

Hold on don't give up
God will... God will restore (repeat)

Be not weary in well doing
God will... God will restore (repeat)

Yes 2x
God will.... God will restore
