Angel Of Retribution

Belphegor

I am your will that breathes in you
I am your birth, your life, your end

Feel the craft, to give death

Defend your life, your freedom
Retribution written in blood
Pride turns to wisdom
Retribution, oh, demons of cold

I am your passion that starts to rise
I am the god of all, of all gods

Feel the craft to give death

Defend your life, your freedom
Retribution written in blood
Pride turns to wisdom
Retribution, oh, demons of cold

Angel of retribution
