

# Surprise Surprise

## A Telemetry

he received bad news today  
he has no reason to live  
he's going to pay them back  
for what they all did

mild manners set aside  
good intention now a rage  
what once was under lock and key  
is out of it's cage

he'll do the best he can  
to go out in a blaze  
he'll seek the fame  
at anyone's expense

surprise surprise  
he went and lost his mind  
surprise surprise  
the killer instinct won't subside

he found the means  
then went on his rampage  
throwing caution to the wind  
everyone should be afraid

adding notches to his belt  
looking for a final score  
knowing know-one could catch him  
and lock the crazy door

he'll do the best he can  
to thwart off restraint  
he'll fix his sight  
on anyone's defense

surprise surprise  
he went and lost his mind  
surprise surprise  
the killer instinct won't subside

now hiding alone  
with an angry world bearing down  
having nowhere to go  
ending it all life's unwound

surprise surprise  
he went and lost his mind  
surprise surprise  
the killer instinct won't subside
