This Time It's Real

Tower of Power

The romance lives on inside
Here I am again
Put this ring around your finger
Can you trust me?
I've hurt so many
I am real this time
I've said I love you
Will you trust me?
Deceived and broken
So many hearts
I'm scared of failing
Failing you, my dear
I know I'm weak
I know I'm broken
Your beauty is in my heart
Your beauty keeps me walking on

I will hold you forever, my love
This promise is real
Deceived and broken
So many hearts
It's in the past now
This love is real
I know I've said it before, but this time it's real
Forget the past, it's gone
Believe me when I say that you're the one
Forget the past, it's gone
[Incomprehensible]I know I've said it before, but this time it's real
Forget the past, it's gone
Believe me when I say that you're the one
Forget the past, it's gone
