

Dillon

Rocco DeLuca

Hypnotized
Petrified
Realized
Stupefied
Trembling
Fortunate
Incompetent
Cinnamon
Deliberate
What a scene
Holding to your toy silver train
Your name means love
Your heart is love
Your mind is love
Dillon love
Personal
Improbable
Hysterical
Unstoppable
Sagittarius
Bendable
Hurricane
Listing to the sound I held your hand
Your name means love
Your heart is love
Your mind is love
Dillon love
And you sparkle with a simple smile
And you sparkle with a simple smile
Your name means love
Your heart is love
Your mind is love
Dillon love
Dillon love
Dillon love
