

Grab Ass

Heart Shaped Hate

I am Malakai
I am Malakai
Breaking all your fucking bones
I am Malakai
I am Malakai
Oozing with testosterone
I am Malakai
I am Malakai
Breaking all your fucking bones
I am Malakai
I am Malakai
Oozing with testosterone Mercy is for the weak
Let me pour the gasoline
I am the arsonist
Burning pyrotechnics
Bottle rocket in my pants
Look how big my match is
To set it on
Fire fire fire fire fire fire Get down, get down, get down, get down
Get down and and grovel
I wanna
I wanna
I wanna
I wanna see you crawl
I wanna see you crawl
Get down, get down, get down, get down
Get down and and grovel
I wanna see you crawl
I wanna see you crawl
I wanna see you crawl Cause i got the
I got the balls
I got the balls
I got the balls
I got the balls
You faggot
