Break Anotha

Blake Lewis

B-b-break anotha, n-n-notha, break anotha
Baby girl like cinnamon, hot for the skin he?s in
Oops! Makes you wanna sin again
Defenses start to break, it?s more than you can take
Wanna get ya get ya then your heart?ll break
He?s got no shame, he?s got your name
And your number, baby now you start to wonder
What?s in store, what the hell!
That spell that he g-g-got you under
Playing a role, he don?t care what he's told
He?s a gentleman, a lover, get you under cover
He?ll try to prove that his love is for you
Just when you think he?s changed his tune
He'll, he?ll break anotha, he'll, he?ll break anotha
He'll, he?ll break anotha, break anotha heart babe
He'll, he?ll break anotha, he'll, he?ll break anotha
He'll, he?ll break anotha, b-b-break your heart babe
He'll, he?ll break anotha, he'll, he?ll break anotha
He'll, he?ll break anotha, break anotha heart babe
He'll, he?ll break anotha, he'll, he?ll break anotha
He'll, he?ll break anotha, b-b-break your heart babe
Stop! Before you jump, he?ll switch it like a punk
Wanna bump bump? Then you?re looking dumped
Dear god not me! Make you wanna thump
Leave you for a night, leave you feeling like a like a chump
So desperate, be your best friend
Sign you up just to cross you off his checklist
One more victim, don?t test it
Don?t you want something more you can invest in?
Playing a role, he don?t care what he's told
He?s a gentleman, a lover, get you under cover
He?ll try to prove that his love is for you
Just when you think he?s changed his tune
He'll, he?ll break anotha, he'll, he?ll break anotha
He'll, he?ll break anotha, break anotha heart babe
He'll, he?ll break anotha, he'll, he?ll break anotha
He'll, he?ll break anotha, b-b-break your heart babe
He'll, he?ll break anotha, he'll, he?ll break anotha
He'll, he?ll break anotha, break anotha heart babe

He'll, he?ll break anotha, he'll, he?ll break anotha
He'll, he?ll break anotha, b-b-break your heart babe
Break! Hey! Hey! B-brake!
S-s-sorry baby, there?s something coming over me
It?s like, it?s like there?s t-t-two sides of me
I?ve tried and tried to be good but I don?t wanna be
But you could, you could, you could be a friend to me
(He'll, he?ll break anotha, he'll, he?ll break anotha)
(He'll, he?ll break anotha, break anotha heart babe)
He'll, he?ll break anotha, he'll, he?ll break anotha
He'll, he?ll break anotha, break anotha heart babe
He'll, he?ll break anotha, he'll, he?ll break anotha
He'll, he?ll break anotha, b-b-break your heart babe
He'll, he?ll break anotha, he'll, he?ll break anotha
He'll, he?ll break anotha, break anotha heart babe
He'll, he?ll break anotha, he'll, he?ll break anotha
He'll, he?ll break anotha, b-b-break anotha
