Dead In Love

Desert Sessions

I'm not afraid to let you kill me (I know)
No other way to fill your hollow bones
I fade into the shadow with you (I know)
So dead in love
So dead in love
Did you hear my heart stop beating?
Guess it's never enough
Oh no, it's never enough
Until my heart stopped beating
So dead in love
So dead in love
So dead in love
Did you hear my heart stop beating?I told the mystery and laid it to rest
I'm guided by your eyes, you silence those best
To wear become all that you never impressed
So dead in love
So dead in love
Did you hear my heart stop beating?
Guess it's never enough
Oh no, it's never enough
Until my heart stopped beating
So dead in love
So dead in love
So dead in love
Did you hear my heart stop beating?So dead in love
So dead in love
Did you hear my heart stop beating?
Guess it's never enough
Oh no, it's never enough
Until my heart stopped
