

Bad Thing

Cry of Love

Just a new way
You got over me
You got it all wrongJust a new song
That I gotta sing
You got over meJust a new way
Just a new wayEnd of the line
You're rolling away
And stop on a dimeGod, you're so wrong
When you wanna play
But way down inside
You wanna stop
While you're playing, girl
No more of a bad thing
No more of a bad thing
No more of a bad thing
No more, no more, no moreFind a new way
Got a new ride
It won't take too longFound a new thing
That's better with time
You know I'll be fine
I'll take you there
If you say you're mineNo more of a bad thing
No more of a bad thing
No more of a bad thing
No more, no more, no more
Just a new way
You got over me
You got it all wrongJust a new song
That I gotta sing
You got over me
Just a new wayNo more of a bad thing
No more of a bad thingNo more of a bad thing now, baby
No more, no moreNo more of a bad thing, hey
No more, no more
No more of a bad thing
No more, yeah, yeahNo, ain't got no
Hard feelings now, baby, no, no
I'm just sitting round, baby
Yeah, yeah, yeah...
