

Mid-life Krysis

Travis

Memories fill your harbor
History to be made
Jealousy in cupboard
You with me to the graveMid-life krysis
You invited everyone
You can't win
You can't wake from this nightmareEvery day is like a movie
Third world war on the rise
Take it in the city
Makin' love to get highMid-life krysis
You invited everyone
You can't win
You can't wake from this nightmareI waste my time, I waste my
Don't waste my time, don't waste my
I waste my time, I waste my
Don't waste my time, don't waste myEnergy, say you're in love with me
Save yourself
Maybe then, you'll have some children
May you'll have noneMid-life krysis
You invited everyone
You can't win
You can't wake from this nightmareAn' you invited everyone
You can't win
You can't wake from this nightmare, yeah
