Stray Dog

Robert Pattinson

You're staring at the same old view
Held on fast--it became old news, yeah
I'll be gone 'fore long
At least I'm gone now
Hallelujah for thatNow you know what you lost
Now you are the thieves that you pardon
Search for need that will never come
Hallelujah for thatThere's more for their own now
It's time for me to forget
I don't need a reason to, so
So long
Stray dog
You're only joker, no
Joker no moreOh, to each their own
But when you can call on your mind
Just crying to hold back the tears sometimes
Wasted, wasted
Before you forget what you came here forAnd you need to see the signs
And you need to stop wasting time
And selling the same damn story
The story that you heard before
And I waited for you but you were long goneStray dog
You're only
Only stray joker, no
Joker no more
Stray dog
