No Resolution

Seether

I'm doing fine
Even though you preyed upon my mind
Been living a lie
Seems every day it eats meYeah, and there's no resolution
Yeah, but it makes me think twice
Yeah, and I need retribution
You don't get it that I'm your pollutionI'm breathing a sigh
In a passing away I'll take my time
I'm still getting high
I love the way it feeds meYeah, and there's no resolution
Yeah, but it makes me think twice
Yeah, and I need retribution
Just don't get it that I'm the solution nowAnd you can't keep me down, my friend
You can't keep me down, my friendI'm doing fine
Even though this hatred plagues my mind
I'm living a lie
But I love the way you need meYeah, and there's no resolution
Yeah, but it makes me think twice
Yeah, and I need retribution
You don't get it that I'm your pollutionYeah, but there's no resolution
Yeah, but it makes me think twice
Yeah, now I need retribution
You don't get it that I'm the solution now
