Blacklist

Exodus

It is no mystery
What you get is what you see
You betrayed my loyalty
You've gone and done me wrong
Now I do you harm
My revenge is guaranteedYou stabbed me in the back
Spit right in my eye
Dragging me into the fray
Take you out, write you off
There's never enough
Ways to throw you awayYou better start runnin'
'Cause you know that I'm comin'
Cocked and loaded and I never miss
I'm onto your game
And I'm layin' the blame
And I'm addin' your name to my blacklistYou should've thought twice
'Cause you're playin' with your life
You must have some sort of death wish
I haven't any doubt
That your time has run out
'Cause I've added your name
To my blacklistYou tried to beat me
Thought you could defeat me
But how you were wrong
I rise to the occasion
Character assassination
To put you down where you belongYou've got a lot to say
When I'm so far away
Now you've got a problem with me
Take you out, write you off
When I've had enough
Of your verbal debrisYou better start runnin'
'Cause you know that I'm comin'
Cocked and loaded and I never miss
I'm onto your game
And I'm layin' the blame
And I'm addin' your name to my blacklistYou should've thought twice
'Cause you're playin' with your life
You must have had some sort of death wish

I haven't any doubt
That your time has run out
'Cause I've added your name
To my blacklistFor all the shit you talk
You've never walked the walk
All you do is run and hide
Slander me, slag me
You better body bag me
I'm not a man you should derideI've heard everything
All your mudslinging
You better run, as fast as you can
Take you out, write you off
Are you brave enough
To stand up and fight like a man?You better start runnin'
'Cause you know that I'm comin'
Cocked and loaded and I never miss
I'm onto your game
And I'm layin' the blame
And I'm addin' your name to my blacklistYou should've thought twice
'Cause you're playin' with your life
You must have had some sort of death wish
I haven't any doubt
That your time's run out
'Cause I've added your name
To my blacklistAnd I got your name to my blacklist
Yeah, I'm adding your name to my blacklist
I've added your name to my blacklistI've added your name on my blacklist
I've added your name on my blacklist
I've added your name on my blacklist
I've added your name to my blacklist
