

Say Goodbye

Everybody Else

Whatever you want from her, man
You better take it fast
While here tears are falling She sees the world different from you
And if she falls again
You'll hear your maker calling "So what are you waiting for?
What are you waiting for?
So what are you waiting for?
Here's your chance to say goodbye
Say goodbye "I'm getting so sick of it all
The way he locks you in
And never lets you out It's got to get better than this
I got a motorbike
The driveway now So what are you waiting for?
What are you waiting for?
So what are you waiting for?
Here's your chance to say goodbye
Say goodbye
