

Fantasy

Do or Die

(chorus)

I wish I could fly

away from here

unto a place

for You and me

relax ya mind (relax ya mind)

and I'll fulfill

your fantasy(Belo)

Well I want to be ya fantasy

but I got to keep it real I'm a pimp I can't show love

cause I got too many chicks on the side

and I love to smoke and ride

so you recognize a true thug fill the game I go out like two slugs

ya think ya ass is da bomb you too bugged

anyway I can take you on a little cruise and

we can do the things ya really really wana do

cause I'm a man I believe in friends

I can give a little if you let me in

we can hit the city in a roma benz

we can fly to coon with the mexicans

but ya gotta plan when the sex begins

and I don't really mind if ya lesbien

we can be a trio if you bring ya friend

call her then, we could bend, strait to the

crib and pop the cris pour loui'wee you do me

most be little over to me

but I can't help it just to be me original po p-i-m-p

dobb hats city sharp do you really want to be my fantasy my fantasy(chorus)

x2(second verse)

that's yo friend and she goin say

he's a pimp don't get caught up

in many conversation my name was brought up

you need to check your homie but not tonight

you involved in something that's oh so right

lay some pipe, sip on some remy and stay the night

close the vertical blinds searching for line

medical physical burden of mine

un button her blouse

how can I obtain this inner ambitious lust

roll back yo gucci dress
receive the touch, sexual thoughts
that leading us, is it me or you who tried to resist
got you convinced lost in the mist
grabbing the sheets and balling her fists
close your eyes go deeper than this
ex-hale and carress, the way it was meant
I guess its another way that we vent
but please don't hickey lick me
wishful whisper
what you need I'm going to get the entire picture
I wish you wish(chorus)
x2(belo)
I put the latch to the front door
in the scene that's down town mo mo
one chick had the look of an nympho
and my conversation just to a essential
make a ma take a puff like indo
laid back in the drop while the wind blow
little momma drink bel or hen-oh
pretty eyes thick thighs at the side door
she beneficial to a man like me oh
walked in wit a passion kiss on her neck while we laughing
she be giving up her ass hun, acts dumb
do you want fly wit me belo
wana take a trip wit me belo
I can make you happy and this I know
fly to Italy
chris to the floor
do you want to man that can sound like me
all day niggaz that be out like me
here to make you look and bounce like me
original po p-i-m-p
dobb hats city sharp do you really want to be my fantasy my
fantasy(chorus)
x2
