

The Great Escape

Boys Like Girls

Paper bags and plastic hearts
All belongings in shopping carts
It's goodbye
But we got one more night
Let's get drunk and ride around
And make peace with an empty town
We can make it right Throw it away
Forget yesterday
We'll make the great escape
And we won't hear a word they say
They don't know us anyway Watch it burn
Let it die
'Cause we are finally free tonight Tonight will change our lives
It's so good to be by your side
But we'll cry
We won't give up the fight We'll scream loud at the top of our lungs
And they'll think it's just 'cause we're young
And we'll feel so alive Throw it away
Forget yesterday
We'll make the great escape
And we won't hear a word they say
They don't know us anyway Watch it burn
Let it die
'Cause we are finally free tonight All of the wasted time
Hours that were left behind me
Answers that we'll never find
They don't mean a thing tonight Throw it away
Forget yesterday
We'll make the great escape
We won't hear a word they say
They don't know us anyway Throw it away
Forget yesterday
We'll make the great escape
Where we won't hear a word they say
They don't know us anyway Throw it away
Forget yesterday
We'll make the great escape
Where we won't hear a word they say
They don't know us anyway Watch it burn

Let it die
'Cause we are finally free tonight
