

Gimme Some Sugar Oi!! (feat. Colin BrÃndle)

Vanilla Muffins

My name is Frankie Flame, from London streets I came
His name is Eddie Jr, and he plays the drums too fast
Colin bugs us all and Ian loves alcohol Gimme Some Sugar - Oi! Basel is for away from London record deals
the tourbus toilets stink but at least it's got four wheels
Vanilla Muffins still have problems with acne Gimme Some Sugar - Oi! I told them million times to learn their
instruments
but after 90 gigs they still ain't got a Mercedes Benz
they have no success with girls
but their album goes around the world Gimme Some Sugar - Oi!
