

# Night Changes (Piano Instrumental Cover)

## One Direction

Going out tonight  
Changes into something red  
Her mother doesn't like that kind of dress  
Everything she never had she's showing off Driving too fast  
Moon is breaking through her hair  
She said it was something that she won't forget  
Having no regrets is all that she really wants We're only getting older baby  
And I've been thinking about it lately  
Does it ever drive you crazy  
Just how fast the night changes?  
Everything that you've ever dreamed of  
Disappearing when you wake up  
But there's nothing to be afraid of  
Even when the night changes  
It will never change me and you Chasing it tonight,  
Doubts are running 'round her head  
He's waiting, hides behind a cigarette  
Heart is beating loud, she doesn't want it to stop Moving too fast  
Moon is lighting up her skin  
She's falling, doesn't even know it yet  
Having no regrets is all that she really wants We're only getting older baby  
And I've been thinking about it lately  
Does it ever drive you crazy  
Just how fast the night changes?  
Everything that you've ever dreamed of  
Disappearing when you wake up  
But there's nothing to be afraid of  
Even when the night changes  
It will never change me and you Going out tonight  
Changes into something red  
Her mother doesn't like that kind of dress  
Reminds her of a missing piece of innocence she lost We're only getting older baby  
And I've been thinking about it lately  
Does it ever drive you crazy  
Just how fast the night changes?  
Everything that you've ever dreamed of  
Disappearing when you wake up  
But there's nothing to be afraid of  
Even when the night changes

It will never change, baby  
It will never change, baby  
It will never change me and you
