

The Show

Lenka

[Chorus]

I'm just a little bit caught in the middle

Life is a maze, and love is a riddle

I don't know where to go

Can't do it alone

I've tried, and I don't know why Slow it down, make it stop

Or else my heart is going to pop

Cause its to much, yeah its a lot

To be something I'm not I'm a fool, out of love

'Cause I just can't get enough [Chorus] I'm just a little girl lost in the moment

I'm so scared but I don't show it

I can't figure it out

It's bringing me down

I know, I've got to let it go And just enjoy the show The sun is hot in the sky

Just like a giant spot light

The people follow the signs

And synchronize in time It's a joke, no body knows

They've got a ticket to that show

Yeah [Chorus] I'm just a little girl lost in the moment

I'm so scared but I don't show it

I can't figure it out

It's bringing me down

I know, I've got to let it go And just enjoy the show Just enjoy the show [Chorus] I'm just a little girl lost in the moment

I'm so scared but I don't show it

I can't figure it out

It's bringing me down

I know, I've got to let it go And just enjoy the show Just enjoy the show

Just enjoy the show I want my money back

I want my money back

I want my money back Just enjoy the show I want my money back

I want my money back

I want my money back Just enjoy the show
