

ALL THE WAYS

MEGHAN TRAINOR

[Verse 1]

I need more details

More texts, calls, and emails

Been more specific

Yes, I'm here to listen

I know I'm needy

But tell me you need me

No don't be afraid, babe

C'mon, explain[Pre-Chorus]

If you love me, love me, love me like you say

Darling, tell me all the ways

Tell me all the ways

[Chorus]

And he said

All the ways, all the ways, all the ways

Tell me all the ways

And he said

All the ways, all the ways (You love me)

All the ways

Tell me all the ways

And he said[Verse 2]

Take me out dancing

Don't forget romance

And it's been awhile since

I been your princess

Tell me your heart's blue when

When I'm not with you

Don't be afraid, babe

C'mon, explain

[Pre-Chorus]

If you love me, love me, love me like you say

Darling, tell me all the ways

Tell me all the ways[Chorus]

And he said

All the ways, all the ways, all the ways

Tell me all the ways

And he said

All the ways, all the ways (You love me)

All the ways

Tell me all the ways
And he said[Post-Chorus]
 The way you
 You love me
 The way you
You love me[Bridge]
 And he said
 "Girl, you take care of me
 You are my therapy
 The better half of me"
 Say it again, say it again
 "Girl, you take care of me
 You are my therapy
 The better half of me"
 Say it again, say it again[Pre-Chorus]
If you love me, love me, love me like you say
 Darling, tell me all the ways
 Tell me all the ways[Chorus]
 And he said
 All the ways, all the ways, all the ways
 Tell me all the ways
 And he said
 All the ways, all the ways (You love me)
 All the ways
 Tell me all the ways
 And he said (The way you)
 All the ways, all the ways (You love me)
 All the ways (The way you)
 All the ways, all the ways (You love me)
 All the ways[Outro]
 The way you
 You love me
