

Over the Rainbow

Il Divo

Somewhere over the rainbow
Way up high
There's a land that I heard of
Once in a lullabySomewhere over the rainbow
Skies are blue
And the dreams that you dare to dream
Really do come trueSome day, I'll wish upon a star
And wake up where the clouds are far behind meWhere troubles melt like lemon drops
Away above the chimney tops
That's where you'll find meSome day, I'll wish upon a star
And wake up where the clouds are far behind meWhere troubles melt like lemon drops
Away above the chimney tops
That's where you'll find meSomewhere over the rainbow
Skies are blue
And the dreams that you dare to dream
Really do come true
