

Don't Turn Your Back On Me

[Matt Webb](#)

Over an ocean
Guessing emotion
Fair like a maiden
Look what is trading
Connections and questions
For timeless projections
The road to whatever awaits Exotic an answer
You tipped off the dancer
It's not what you're built for
But neither is rapport
A tiger a lion don't ever stop trying
The road to whatever awaits
Don't turn your back on me yet
And I will let you know
Just when I find myself out
That's when I'm coming home Missing for dinner
The hats off for winners
It's still on for trying
So that's why you're flying
A body in question
A bag of possessions
The road to whatever awaits Don't turn your back on me yet
And I will let you know
Just when I find myself out
That's when I'm coming home Will you be there for me when I get home?
Will you be there for me so I'm not alone?
Don't, don't turn your back
Don't, don't turn it on me
Don't, don't turn your back
Don't, don't turn it on me
Don't, don't turn your back
Don't, don't turn it on me
Don't, don't turn your back Don't turn your back on me yet
And I will let you know
Just when I find myself out
That's when I'm coming home Don't turn your back on me yet
And I will let you know
Just when I find myself out
That's when I'm coming home
