

Last Thing On My Mind (With Ronan Keating)

[LeAnn Rimes](#)

Four o'clock in the morning
My mind's filled with a thousand thoughts of you
And how you left without warning
But looking back I'm sure you tried to talk it through Now I see it so clearly
We're together but living separate lives
So I wanna tell you I'm sorry
Baby, I can't find the words
But if I could, then you know I would, yeah No, I won't let go, know what we can be
I won't watch my life crashing down on me
Guess I had it all right there before my eyes, yeah
Girl, I'm sorry now, you were the last thing on my mind You carried me like a river
How far we've come still surprises me
And now I look in the mirror, look in the mirror
Staring back is the man I used to be
With you, how I long for you No, I won't let go, know what we can be
I won't watch my life crashing down on me
Guess I had it all right there before my eyes, yeah
Girl, I'm sorry now, you were the last thing on my mind Girl, I'm sorry I was wrong
Could have been there
Should have been so strong
So I'm sorry, woah No, I won't let go, know what we can be
I won't watch my life crashing down on me
Guess I had it all right there before my eyes, yeah
Girl, I'm sorry now, you were the last thing on my mind
On my mind I won't watch my life crashing down on me
Guess I had it all right there before my eyes, yeah
Girl, I'm sorry now, you were the last thing on my mind
On my mind
