# Always Midnight

## Pat Monahan

Seems like it's always midnight
Sweepin' up broken glass after every fight
But the sound of a train that I could have been on
Remindin' me that the last one's gone
With you it's always midnightAre you blind?
Can't you see me standin' here waitin' in line for you?
Are you mine?
Not just when you wanna be all of the time, are you?
Are you blind?
Don't you see me standin' here, won't you tell me what it is
I'm waiting to find?You're right, I must be crazy
You're out gettin' high, I'm here pretendin' I'm in love
The sound of your heart, my head on your chest
Dropped your hands to your sides and gave up
I'd rather be crazy than right tonightAre you blind?
Can't you see me standin' here waitin' in line for you?
Are you mine?
Not just when you wanna be all of the time, are you?
Are you blind?
Don't you see me standin' here, won't you tell me what it is
I'm waiting to find?A way to get back to you, a way to get outta here
I don't wanna be alone at midnight anymore
How do I get away? Wanna see you in the daylight
I don't wanna be afraid of midnight anymoreBut the sound of a train that I should have been on
Remindin' me that the last one's gone
With you it's always midnightAre you blind?
Can't you see me standin' here, waitin' in line for you?
Are you mine?
Not just when you wanna be all of the time, are you?
Are you blind?
Don't you see me standin' here, won't you tell me what it is
I'm waiting to find?With you it's always midnight
