

Bad Weather

Starwalker

It's bad weather for your love
There are sad clouds streaming on my heart
 Such a misty air in my mind
When the windows' under winds of my soul
 It's bad weather oh my love
 It's raining all day and it's all I can say
 I can be the angel in your eyes
 I can be the angel of the night
As the religion says you'll be forgiven for all that you do
 I can be the devil in your eyes
 I can be the devil of the light
As the religion says you'll be forgiven for all that you do
 Like a vampire on your side
 I'll stay in the shadows of the night
 It's bad weather for your love
 There are sad clouds streaming on my heart
 I can be the angel in your eyes
 I can be the angel of the night
As the religion says you'll be forgiven for all that you do
 I can be the devil in your eyes
 I can be the devil of the light
As the religion says you'll be forgiven for all that you do
