

Forever Again

Sunday Driver

Start writing down reason your down
You won't find one
Can't figure out the distance now
How far you've gone
You're not fine
Not this time
And you're steppin' way out of line
Don't ask me how you bottomed out
You came undone
So I'm sending a letter
Hope that it's gets to
Her sooner or later
Waitin' forever
Sending a letter
Hope that it's gets to
Her sooner or later
Waitin' forever againTalking out loud
Answer yourself
You scream and shout
Who answers now
Can't talk it out
You're so all alone
You're not fine
Not this time
And you're steppin' way out of line
Don't ask me how you bottomed out
You came undone
So I'm sending a letter
Hope that it's gets to
Her sooner or later
Waitin' forever
Sending a letter
Hope that it's gets to
Her sooner or later
Waitin' forever again
A twelve page letter
Labeled "Return to Sender"
Try back later
Just wait, do me that favorSo I'm sending a letter

Hope that it's gets to
Her sooner or later
Waitin' forever
Sending a letter
Hope that it's gets to
Her sooner or laterI'm sending a letter
Hope that it's gets to
Her sooner or later
Waitin' forever
Sending a letter
Hope that it's gets to
Her sooner or later
Waitin' forever again
