## **Night Nurse**

## **Simply Red**

Tell her try her best just to make it quick
Woman tend to the sick
'Cause there must be something she can do
This heart is broken in two
Tell her it's a case of emergency
There's a patient by the name of MickeyNight nurse
Only you alone
Can quench this here thirst
My night nurse
Oh God

Oh the pain is getting worseI don't want to see no doc
I need attendance from my nurse around the clock
'Cause there's no prescription for me
She's the one, the only remedyMy night nurse
Only you alone

Can quench this here thirst My night nurse

Oh the pain is getting worse

I'm hurt my loveI don't want to see no doc
I need attendance from my nurse around the clock
'Cause there's no prescription for me
She's the one, the only remedyNight nurse

Only you alone

Can quench this here thirst

My night nurse

Oh the pain is getting worse

I'm hurt my loveAnd I'm sure no, no doctor can cureMy night nurse

My night nurse My night nurse

Oh gosh, oh Lord
