This Cherry

Suburban Legends

Hey little lady
Hit me baby one more time
I can't wait to let you know
All the crazy ways you blow my mind
You've got the glare of the devil
Caught me right between my eyes
Starin' at me when I'm on my knees
Begging honey please for my lifeYou got me screaming crazy
For such a lovely lady
Cold sweat running from my eyes
Blow me a kiss from your paradise
Gotta, gotta, gottaThis itty bitty blond girl is super pretty
And I just can't wait
'Til the day that I can
Rap my arms around her hips
Taste her lips so very rich
Lifetime starin' in her eyes
I'm fallin' for this cherry pieI get tongue tied petrified
Every time that she walks by
Grit my teeth and praise the Lord
That something so fine is alive
My heart drops down to my socks
Trip on my tongue when I start to talk
Love at first sight was never new to me
But it hit me like a truck when she started to breathThis itty bitty blond girl is super pretty
And I just can't wait
'Til the day that I can
Rap my arms around her hips
Taste her lips so very rich
Lifetime starin' in her eyes
I'm fallin' for this cherry pieYou got me screaming crazy
For such a lovely lady
Cold sweat running from my eyes
Blow me a kiss from your paradise
Gotta, gotta, gotta[2x]
This itty bitty blond girl is super pretty
And I just can't wait
'Til the day that I can
Rap my arms around her hips

Taste her lips so very rich
Lifetime starin' in her eyes
I'm fallin' for this cherry pie
