Eyes Wide Shut

Hardcut

They say that some things are too good to be true
But I just hope they ain't talking about you
I heard that everything must come to an end
But I just can't imagine me without you, me without youDon't tell me I'm dreamin' 'cause if I've been dreamin'
I don't ever wanna wake up
So in love with this feelin', tonight I'll be sleepin'
Sleepin' with my eyes wide shut'Cause I don't wanna wake up, wake up, wake up
I don't wanna wake up, wake up, wake up
So in love with this feelin', tonight I'll be sleepin'
Sleepin' with my eyes wide shutOut of sight, they say out of mind
But your image will remain 'til the end of time
I'm strong but hearts are easy to break
Don't wanna fall if there ain't no one to catch me
Me without you, me without youOh, I don't ever wanna wake upDon't tell me I'm dreamin' 'cause if I've been dreamin'
I don't ever wanna wake up
So in love with this feelin', tonight I'll be sleepin'
Sleepin' with my eyes wide shut'Cause I don't wanna wake up, wake up, wake up
I don't wanna wake up, wake up, wake up
So in love with this feelin', tonight I'll be sleepin'
Sleepin' with my eyes wide shutAnd I don't wanna get out of bed
If I could rearrange the alphabet
It would be U, I, JLS, BA to JFK, LAXYeah, we's the match made
Got me looking forward to you like a Saturday
Babe, tonight's bright, also got my Ray Bans on
And my eyes wide shutEverybody, everywhere, throw your hands in the air
Say yeah, say yeah, yeah, yeah
Go on put your hands high, feelin' sleepy tonight
Say yeah, yeah, yeah, yeah, yeahTonight I'll be sleepingDon't tell me I'm dreamin' 'cause if I've been dreamin'
I don't ever wanna wake up
So in love with this feelin', tonight I'll be sleepin'
Sleepin' with my eyes wide shut'Cause I don't wanna wake up, wake up, wake up
I don't wanna wake up, wake up, wake up
So in love with this feelin', tonight I'll be sleepin'
Sleepin' with my eyes wide shut
Oh, no, no, noEverybody, everywhere, throw your hands in the air
Say yeah, say yeah, yeah, yeah
Go on put your hands high, feelin' sleepy tonight
Say yeah, yeah, yeah, yeah, yeah
