Fever

Marc Cohn

You'll never know how much I love you
You'll never know how much I care
When you put your arms around me
I get a fever that's so hard to bear
(You give me such a)
Fever in the morning
Fever all through the night
Fever when you kiss me, baby
And fever when you hold me tight

The sun lights up the daytime
The moon lights up the night
Yeah but I light up every time you call my name
And I know you're gonna treat me right
(You know I just can't stand by myself,
'Cause I got a fever....)
