

Light Of The Sun

Audio Adrenaline

It only took a moment
To turn my life around
The sky was cracked wide open
It tore these four walls down
It was the light of the sun
(The light of the sun)
(The light of the sun)
(The light of the sun)
The beauty that surrounded me
Was like nothing I had seen
The sky was filled with colors
And all creation sings
It was the light of the sun
(The light of the sun)
(The light of the sun)
(The light of the sun)
I never wanted anymore
Than I could fit inside my hands
Inside my hands
I never wanted anymore
Than I could fit inside my hands
Inside my hands
It was the light of the sun
It was the light of the sun
(It was the light of the sun)
(It was the light of the sun)
The light of the sun
It only took a moment
To turn my life around
