Mambo Sun

T. Rex

Beneath the bebop moon
I want to croon - with you
Beneath the Mambo Sun
I got to be the one - with you.

My life's a shadowless horse
If I can't get across - to you
In the alligator rain
My hearts all pain - for you.

Girl, you're good
And I've got wild knees - for you
On a mountain range
I'm Dr. Strange - for you.

Upon a savage lake
Make no mistake - I love you
I got a powder-keg leg
and my wig's all pooped - for you.

With my hat in my hand
I'm a hungry man - for you
I got stars in my beard
and I feel real weird - for you.

Beneath the bebop moon
I'm howling like a loon - for you.
Beneath the mambo sun
I've got to be the one - for you.

Oh, take me!
Ah, yeah. Ah!
Oh - please - come - oh woah.
