Can't Take My Eyes Off You

Vic Damone

You're just too good to be true

Can't take my eyes off you

You'd be like heaven to touch

I wanna hold you so much

At long last love has arrived

And I thank God I'm alive

You're just too good to be true

Can't take my eyes off youPardon the way that I stare

There's nothing else to compare

The sight of you leaves me weak

There are no words left to speak

But if you feel like I feel

Please let me know that it's real

You're just too good to be true

Can't take my eyes off youI love you baby, and if it's quite all right

I need you baby to warm the lonely night

I love you baby

Trust in me when I say

Oh pretty baby, don't bring me down, I pray

Oh pretty baby, now that I found you StayAnd let me love you, baby Let me love you You're just too good to be trueI love you baby, and if it's quite alright,

I need you baby to warm the lonely night

I love you baby

Trust in me when I say

Oh pretty baby, don't bring me down, I pray

Oh pretty baby, now that I found you StayAnd let me love you baby

Let me love you
