

# Sweet Caroline

## Steve Hofmeyr

Where it began, I can't begin to knowing  
But then I know it's growing strong  
    was in the spring,  
    And spring became the summer  
    Who'd believe you'd come along  
Hands, touching hands, reaching out

    Touching me, touching you  
    Oh, sweet Caroline  
    Good times never seem so good  
I've been inclined to believe it never would  
    Oh, sweet Caroline  
    Good times never seem so good  
I've been inclined to believe it never would oooh oh no no..
