

What If I Should Say I Love You

Poco

What if I should say I love you
Would you spend some time?
I'll tell you what I'm thinkin' of you
But if I do, do you have to know why? When I look at you
Are you wond'rin who
I am to do such a thing to you I bet you know
That you're breakin' my heart
I bet you know
My heart What if I should say I love you
Baby, would you steal away my heart
Could the moment last for always
And ever, or should we even start When you look at me
All the world can see
I suddenly want your love for me I bet you know
That you're breakin' my heart
I bet you know
My heart Maybe someday I would be gone
Then you'd be alone
Won'drin' what's wrong
How could it begin and then be gone
