Carbon Copy

Curvine

(!DISCLAIMER! THERE MAY BE MISTAKES IN THIS SO PLEASE KEEP IN MIND)

Carbon copies of a carbon copy that was hardly copied from a carbon copy,

cause you looks like me and i look like him and he looks like him her and all men,

Were all carbon copies of a carbon copy that was hardly copied from a carbon copy,

cause he looks like me and i look like her and them but then again we all pretend,

so check me out I'm fake and an actor but for you ill be your gangster rapper,
now with the real man yall dont know me
catch me in the club with all my homies ,
got all my worries plus i keep forty three shortys in a jeep
and they all drink fortys,
cool and sporty in my new jordans and im all i see in my tall white tee,
looking like a dressle yes but i am less the majority therefore they honor and they like me you might be
chuckling the window but look in the mirror kiddo you look just like me
but on the real man i swear im gangster i bought cherry chap stick and didn't say thank you to the store clerk

man who am i kidding its hard work convincing these kids im hard core when im just a

Carbon copy of a carbon copy that was hardly copied from a carbon copy,

cause you looks like me and i look like him and he looks like him her and all men,

Were all carbon copies of a carbon copy that was hardly copied from a carbon copy,

cause he looks like me and i look like her and them but then again we all pretend,

Hey look at me thinking what you thought of me
what i think of you was exactly what you want of me
and there's another part of me that you aint really seeing that forest from the trees
we are human beings and check me out im a senior pastor, mc disaster bringing
Jesus rapper any body coming after took the original every copy incidental that's individual
are you a pop chic an emotional rocker,
indie rap nerd , perfect size for your locker
just give me your propers cops and robbers
robbers and coppers stealing from authors it speaks through the small words

its awkward i offered another one we could be like
Christ hit the mother lode
deep space synco they cant go chalki
and they carbon copy carbon copy

Carbon copy of a carbon copy that was hardly copied from a carbon copy,

cause you looks like me and i look like him and he looks like him her and then all men,

Were all carbon copies of a carbon copy that was hardly copied from a carbon copy,

cause he looks like me and i look like her and them but then again we all pretend,

your not two pot chepour
you a carbon copy

your not Kurt kobain
your a carbon copy

your not Marilyn mansion
your a carbon copy

your not beyonce
your a carbon copy

your not kanye west
your a carbon copy

Eminime or fifty
just a carbon copy

your not Miley Cyrus
your a carbon copy

an you sure aint brittney
your a carbon copy

your just a carbon copy
just a carbon copy

imma go and tell your mommy you made your child a carbon copy

for heavens sake please be original
