## **Birthday**

## **Katy Perry**

I hurt your feeling, nothing's going bright

Why don't you let me stop the vibe

The clock is ticking, running out of time

So we should party, all night

So cover your eyes, I have a surprise

I hope you got a healthy appetiteIf you wanna dance, if you want it all You know that I'm the girl that you should callBut when you're with me

I'll give you a taste

Make it like your birthday everyday

I know you like it sweet

So you can have your cake

Give you something good to celebrateSo make a wish

I'll make it like your birthday everyday

I'll be your gift

Give you something good to celebratePop your confetti

We can get it on

So hot and heavy

Till dawn

I got you spinning

Like a disco ball

I'll have them playing

Your songWe're living the life

We're doing it right

You're never gonna be unsatisfied

If you wanna dance

If you want it all

You know I'm the girl that you should callBut when you're with me

I'll give you a taste

Make it like your birthday everyday

I know you like it sweet

So you can have your cake

Give you something good to celebrateSo make a wish

I'll make it like your birthday everyday

I'll be your gift

Give you something good to celebrateHAPPY BIRTHDAYSo let me get you in your birthday suit

It's time to bring out the big bottles

So let me get you in your birthday suit

It's time to bring out the big, big, big, big bottlesBut when you're with me

I'll give you a taste

Make it like your birthday everyday

I know you like it sweet

So you can have your cake

Give you something good to celebrateBut when you're with me

I'll give you a taste

Make it like your birthday everyday

I know you like it sweet

So you can have your cake

Give you something good to celebrateSo make a wish

I'll make it like your birthday everyday

I'll be your gift

Give you something good to celebrateHAPPY BIRTHDAY
