

A Christmas Baby

Smokey River Boys

On a starlit night outside Bethlehem
The angels gathered on high
While shepherds watched a star fell on
The city of David where a baby was born
Wise men came bringing gifts from afar
Seeking to know, has Messiah been born?
There in a manger, no room in the inn
A King is born in Bethlehem
The Christ child of earth
Became the King of glory
A sweet baby's birth
Tells us the Christmas story
Praise to Him, the angels sing
A baby, Christ child is born the King
Let the Christmas bells ring join in with me
Sing the sweetest story
How a Baby in love sent from Heaven above
Became the King of Glory
The Christ child of earth
Became the King of glory
A sweet baby's birth
Tells us the Christmas story
Praise to Him, the angels sing
A baby, Christ child is born the King
A baby, Christ child is born the King
