

Josephine

Brandi Carlile

Take me back Josephine to that cold and dark December
I am missing someone but I don't know who
Now, I'm standing alone and I'm trying to remember
Sometimes I wonder how I ever started loving you
Noon time wind can you blow
For me one more time and take me on back to the start
Where the midnight moon shines so bright
Nearly pulled us up to Heaven by the strings of our heart
Take me back Josephine to that cold and dark
December
I am missing someone but I don't know who
Now, I'm standing alone and I'm trying to remember
Sometimes I wonder how I ever started loving you
Morning sun shine on me
Come light inside my window and rest on my brow
Kiss my eyes when I sleep
And carry me back home if my dreams will allow
Take me back Josephine to that cold and dark December
I am missing someone but I don't know who
Now, I'm standing alone and I'm trying to remember
Sometimes I wonder how I ever started loving you
Take me back Josephine to that cold and dark December
I am missing someone but I don't know who
Now, I'm standing alone and I'm dying to remember
Sometimes I wonder how I ever started loving you
Someone help me understand why I'm still loving you
