## **Josephine**

## **Brandi Carlile**

Take me back Josephine to that cold and dark December

I am missing someone but I don't know who

Now, I'm standing alone and I'm trying to remember

Sometimes I wonder how I ever started loving youNoon time wind can you blow

For me one more time and take me on back to the start

Where the midnight moon shines so bright

Nearly pulled us up to Heaven by the strings of our heartTake me back Josephine to that cold and dark

December

I am missing someone but I don't know who

Now, I'm standing alone and I'm trying to remember

Sometimes I wonder how I ever started loving youMorning sun shine on me

Come light inside my window and rest on my brow

Kiss my eyes when I sleep

And carry me back home if my dreams will allowTake me back Josephine to that cold and dark December

I am missing someone but I don't know who

Now, I'm standing alone and I'm trying to remember

Sometimes I wonder how I ever started loving youTake me back Josephine to that cold and dark December

I am missing someone but I don't know who

Now, I'm standing alone and I'm dying to remember

Sometimes I wonder how I ever started loving you

Someone help me understand why I'm still loving you
