How will they know  
Just where to find?  
Under this bridge  
I lie down See how they run  
Catch butterfly  
Trip over words

Just where to find?  
Down on their knees  
Holding hairpiece See how they flock  
Ten for some grapes  
Trip over words  
With gifts and garage  
Pheurton dance How will they learn?  
How will they learn?  
How will they learn?
