

# Compass

**Richard X. Heyman**

Yea it's been a bumpy road  
Roller coasters high and low  
Fill the tank and drive the car  
Pedal fast, pedal hard  
You won't have to go that far You want to give up cause it's dark  
We're really not that far apart So let your heart sweetheart be your compass when you're lost  
And you should follow it wherever it may go  
When it's all said and done you can walk instead of run  
Cause no matter what you'll never be alone  
Never be alone  
Never be alone Forgot directions on your way  
Don't close your eyes don't be afraid  
We might be crazy late at night  
I can't wait til you arrive  
Follow stars you'll be alright You want to give up cause it's dark  
We're really not that far apart So let your heart sweetheart be your compass when you're lost  
And you should follow it wherever it may go  
When it's all said and done you can walk instead of run  
Cause no matter what you'll never be alone  
Never be alone  
Never be alone You want to give up cause it's dark  
We're really not that far apart So let your heart sweetheart be your compass when you're lost  
And you should follow it wherever it may go  
When it's all said and done you can walk instead of run  
Cause no matter what you'll never be alone  
Never be alone  
Never be alone When it's all said and done you can walk instead of run  
Cause no matter what you'll never be alone
