

# Monotone

## Martha And The Muffins

Doo doo doo do doo [x4]  
Doo Do doo do doo Feeling the time is never near  
It's clear the clocks are very wrong here  
Shadow people come and disappear  
Try not to be so all alone  
It's hard to hear my stomach when it groans  
'Cause as much as it's filled with stone  
And my heart just beats in monotone Doo doo do do doo [x4]  
do do doo do doo
