

# She Was Born to Run

**Brooks & Dunn**

I've got the keys to the car  
I'm goin out on an afternoon vacation  
They all know where I'm gonna goThe sun is shining down and  
    There is no one else around now  
    Wish you were here to hear me say  
This is gonna be my greatest day[Chorus]  
    How far would I go  
    How long would I stay  
    To see it all  
To carry it all back with me again  
    How hard would I try  
    Just to hear everybody say  
This is gonna be my greatest dayStanding here, looking out on the world  
    And for a second nobody is looking back at me  
    I never even notice where they go
