

Two Can Play That Game (K-Klassik Radio Mix)

Bobby Brown

Drop it Stay with me but if you want to leave
Take your things forget all about me
Tell me why you failed to realize
That you might not ever get another try Girl think about it before you leave
Bobby's got a brand new swing
And if you want to do your own thing
I hear what your saying
Two can play that game
Your game
Two can play that game
Two can play that game Lately you've been acting mighty strange
To me it seems your attitude has changed
And suddenly you just don't seem the same
Instead of playing all those silly games Girl think about it before you leave
Bobby's got a brand new swing
And if you want to do your own thing
I hear what your saying
Two can play that game
Your game
Two can play that game
Two can play that game Lately you've been acting mighty strange
To me it seems your attitude has changed
And suddenly you just don't seem the same
Instead of playing all those silly games Girl think about it before you leave
Bobby's got a brand new swing
And if you want to do your own thing
I hear what your saying
Two can play that game
Your game
Two can play that game
Two can play that game
