

# Long Neck Bottles

## Captain Beefheart

Woman like long neck bottles  
And a big head on her beer  
I don't like to talk about my women  
But I hold that woman dear Well, one night she go to drinking  
Got out and shot up the town  
I'll be damned if she didn't  
Bring an airplane down  
I don't like to talk about my woman  
But this one sure could chug 'em down  
I don't like to talk about my woman  
But this one sure could chug 'em down One night she started drinking  
Down by the river  
She tied up the river  
And backed the ocean down  
I don't like to talk about none of my women  
But this one sure could hold her long neck bottle beer down When she walked into a bar  
They set 'em and got right out of town  
'Cause she picked 'em up a'plenty  
And laid a lot of them down  
Women like long neck bottles  
And a big head on their beer  
Now you got that down  
You got that down
