

The Other Side of Your Face

Twin Sister

Can't see the other side of your face
But I know that it is mean
I can try to start over this week
But it can't change the way I feel
Can't see the other side of your dream
But I know that it is real
I can try to change the way I think
If it makes you happy then I will
oooh oooh oooh ahh ahh ahh ahh ahh ahh
oooh oooh oooh ahh ahh ahh ahh ahh ahh
Take me away
I don't want to stay
Can't you tell that I'm in pain?
oooh oooh oooh ahh ahh ahh ahh ahh ahh
oooh oooh oooh ahh ahh ahh ahh ahh ahh
oooh oooh oooh ahh ahh ahh ahh ahh ahh
oooh oooh oooh ahh ahh ahh ahh ahh ahh
