

You'll Never Be Alone

Capital Kings

I'm the street lights that guide you home, I'll be the G.P.S. when you've lost your phone, I'll be the song that's rockin' into your headphones, I'll show you the signs to let you know, you'll never be alone.

Hey! Let me start it off by saying this, you mean everything to me nothing I wouldn't risk, every single second and moment that passes by, I think about ya and I really want you to know that, there's something more out there, something that will hold you very tight when you're scared, cuz I know when times get tough and it starts to feel rough, it can feel like everything's crashin' down on ya.

So when it seems like every road your on has hit a dead end there is hope, let me show...

I'm the street lights that guide you home, I'll be the G.P.S. when you've lost your phone, I'll be the song that's rockin' into your headphones, I'll show you the signs to let you know, you'll never be alone

owne- owne- owne- owne- you'll never be alone, owne- owne- owne- owne-

Man, crazy how ya got this far, I'd be sitting just wondering where to start, last week you were saying that somethin' just ain't right, laying in your bed staying up all night, cuz this life is harder than it seems, but one thing I've learned is never stop chasing your dreams, and if it, if it ever gets to hectic then stop for a second and remember one thing.

So when it seems like every road your on has hit a dead end there is hope, let me show...

I'm the street lights that guide you home, I'll be the G.P.S. when you've lost your phone, I'll be the song that's rockin' into your headphones, I'll show you the signs to let you know, you'll never be alone

owne- owne- owne- owne you'll never be alone, owne- owne- owne- owne-

Sometimes life is an ocean were just trying float, we get caught in slow motion from the undertow,

Sometimes the path to choose, is right in front of you, you just gotta let go.

I'm the street lights that guide you home, I'll be the G.P.S. when you've lost your phone, I'll be the song that's rockin' into your headphones, I'll show you the signs to let you know, you'll never be alone

I'm the street lights that guide you home, I'll be the G.P.S. when you've lost your phone, I'll be the song that's rockin' into your headphones, I'll show you the signs to let you know, you'll never be alone

owne- owne- owne- owne- you'll never be alone, owne- owne- owne- owne-
