

Not Above Love

AlunaGeorge

[Verse 1]

I don't usually go all in, babe
But you're a hum that I had to play
And you took me all the way
Make me lose more than I could win, babe
And I really need to let you know[Pre-Chorus]
I'm not above love
I just ran out of it
I'm not above love
So it's not like I don't care
And I know you're thinking the worst of me
But I hope one day you'll see
I'm not above love
I just ran out of it

[Chorus]

You keep robbing my heart like a bank
And I only got myself to blame
You keep robbing my heart like a bank
No thank you, no thank you
And the [?]
Cause you're taking everything
You keep robbing my heart like a bank
No thank you, no thank you[Verse 2]

I don't usually overdose
But you're a drug that I had to take
Not a fix, I couldn't wait
Now the itch is far too close
So I really need to let you know[Chorus]
You keep robbing my heart like a bank
And I only got myself to blame
You keep robbing my heart like a bank
No thank you, no thank you
And the [?]

Cause you're taking everything
You keep robbing my heart like a bank
No thank you[Bridge]
You took me to a place so far from here
You took me to another atmosphere
But I got so high, I couldn't breathe

And I've been holding, holding, holding, holding, holding, holding...[Pre-Chorus]

I'm not above love

I just ran out of it

I'm not above love

So it's not like I don't care

And I know you're thinking the worst of me

But I hope one day you'll see

I'm not above love

I just ran out of it[Chorus]

You keep robbing my heart like a bank

And I only got myself to blame

You keep robbing my heart like a bank

No thank you, no thank you

And the [?]

Cause you're taking everything

You keep robbing my heart like a bank

No thank you, no thank you
